Privacy Policy

Effective Date: December 1, 2024

Skill Name: Roku Accessible Remote

1. Introduction

Roku Accessible Remote (the "Skill") is designed to provide a seamless and accessible remote control experience

for Roku TV users. This Privacy Policy outlines how we collect, use, and protect user data to ensure compliance

with applicable privacy regulations.

By using this Skill, you agree to the terms of this Privacy Policy.

2. Data Collection

2.1 Data We Do Not Collect

This Skill does not collect or store any personal data, including names, email addresses, or contact information.

2.2 Data Processed

The Skill processes voice commands provided by the user via Amazon Alexa. These commands are routed through

Amazon's services to AWS Lambda for interpretation and execution. We do not have access to or store any audio

recordings or command data; this is managed solely by Amazon.

3. Data Usage

The Skill processes user commands to provide functionality, such as controlling your Roku TV. Any data processed

during this interaction is temporary and used exclusively for the intended function.

4. Data Sharing

We do not share, sell, or disclose any data processed by this Skill with third parties. All interactions remain

within Amazon's ecosystem (e.g., Alexa, AWS services).

5. Third-Party Services

This Skill relies on Amazon Alexa and AWS Lambda. Please refer to the Amazon Privacy Policy for more information

on how your data is handled by these services:

https://www.amazon.com/gp/help/customer/display.html?nodeId=468496.

6. Security

We take reasonable measures to ensure that the Skill operates securely within Amazon's ecosystem. However, we

cannot guarantee the security of third-party platforms used to access the Skill, such as your Alexa-enabled device.

7. User Consent

By enabling and using this Skill, you consent to the processing of your voice commands and interactions as

described in this Privacy Policy.

8. Changes to the Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted here with the updated effective

date.

9. Contact Information

If you have any questions or concerns regarding this Privacy Policy, please contact us at:

- otoua046@uottawa.ca or makerlab@uottawa.ca

10. Compliance

This Privacy Policy complies with Alexa Skill development guidelines and applicable privacy laws, such as GDPR

and CCPA.
